

Policy

This policy applies to all CIC VET students and all CIC staff who deal with all matters concerning VET.

This policy supports the ESOS National Code 2018 Standard 3. This policy also supports the Standards for RTOs 2015 - Standard 5 Clause 5.3, that states:

"Where the RTO collects fees from the individual learner, either directly or through a third party, the RTO provides or directs the learner to information prior to enrolment of the commencement of training and assessment, whichever comes first, specifying:

- all relevant fee information including:
 - fees that must be paid to the RTO, and
 - payment terms and conditions including deposits and refunds
- the learner's rights as a consumer, including but not limited to any statutory cooling-off period, if one applies
- the learner's right to obtain a refund for services not provided by the RTO in the event the:
 - arrangement is terminated early, or
 - the RTO fails to provide the agreed services."

and Standard 7 Clause 7.3 that states:

"Where the RTO requires, either directly or through a third party, a prospective or current learner to prepay fees in excess of a total of \$1500 (being the threshold prepaid fee amount), the RTO must meet the requirements set out in the Requirements for Fee Protection in Schedule 6."

Fee protection requirements as in Schedule 6: (Ref: <https://www.legislation.gov.au/Details/F2019C00503>)

"The RTO addresses learner fee protection by implementing one or more of the following arrangements:

- 1. The RTO holds an unconditional financial guarantee from a bank operating in Australia where:
 - the guarantee is for an amount no less than the total amount of prepaid fees held by the RTO in excess of the threshold prepaid fee amount for each learner for services to be provided by the RTO to those learners, and
 - all establishment and ongoing maintenance costs for the bank guarantee are met by the RTO.
- 2. The RTO holds current membership of a Tuition Assurance Scheme approved by its VET Regulator which, if the RTO is unable to provide services for which the learner has prepaid, must ensure:
 - the learner will be placed into an equivalent course such that:
 - the new location is geographically close to where the learner had been enrolled, and
 - the learner receives the full services for which they have prepaid at no additional cost to the learner or

- if an equivalent course cannot be found, the learner is paid a refund of any prepaid fees for services yet to be delivered above the threshold prepaid fee amount.
- 3. Any other fee protection measure approved by the VET Regulator."

The Standard 7 Clause 7.3 explains:

"RTOs registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) must satisfy both the requirements of this clause and of the Tuition Protection Service (TPS)

under the *Education Services for Overseas Students Act 2000* (ESOS Act). The TPS requires that not more than 50 per cent of the fees for an overseas student be prepaid, **unless the student chooses to pay more**. This applies even if 50 per cent of the course fees would be less than the threshold prepaid fee amount of \$1500."

Tuition Protection Service

Protection of tuition fees paid in advance by student visa holders is undertaken in accordance with ESOS requirements and the Tuition Protection Service Framework. The Institute is a member of the Tuition Protection Service (TPS). This means that the fees paid to the Institute are safeguarded if the Institute defaults on delivering the courses you are enrolled in.

In the unlikely event that the Institute is unable to deliver the course you have paid for and does not meet our obligations to either offer you an alternative course that you accept or pay you a refund of your unspent prepaid course fees, the TPS will assist you in finding an alternative course or to get a refund if a suitable alternative is not found.

The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students whose education complete their studies in another course or with another education provider or receive a refund of their unspent course fees

Students and their sponsors can choose to pay more than 50 per cent of tuition fees up front if they wish to do so. This allows students and those paying fees on their behalf, such as their parents or a scholarship sponsor, to pay any amount greater than 50 per cent of the tuition fees to take advantage of favourable exchange rates or have the convenience of only paying once.

Further information on the Tuition Protection Service can be accessed at:

<https://tps.gov.au/StaticContent/Get/StudentInformation>

CIC does not require international students to pay more than 50% of the course fee up front where the course is 25 weeks or more in duration, however may require it for courses that are shorter than 25 weeks. Students and their sponsors may choose to pay more than 50% of tuition fees up front if they wish to do so. This allows students and those paying fees on their behalf, such as their parents

or a scholarship sponsor, to pay any amount greater than 50 per cent of the tuition fees to take advantage of favourable exchange rates or have the convenience of only paying once.

In addition to the protection offered by TPS, Collins International College further protects the tuition fees that are paid in advance by international students. Funds will be held in a separate bank account that can only be drawn down when the student commences. This prepaid tuition fees are held

separately from the day-to-day operating expense accounts, so that if a refund is payable before the student commences, the refund can be made in a timely way without impact on the financial operations of the business or recourse to the tuition protection system.

FEES

Written agreements between CIC and students sets out the services to be provided, fees payable and information in relation to refunds of tuition fees. CIC provides an itemised list of tuition fees payable

by the student and information in relation to refunds of tuition fees in the Letter of Offer and Acceptance Agreement – International Student.

CIC include in the written agreement the following information in relation to refunds of tuition fees in the case of student and provider default:

- a. amounts that may or may not be repaid to the student (including any tuition fees collected by education agents on behalf of the registered provider);
- b. processes for claiming a refund;
- c. a plain English explanation of what happens in the event of a course not being delivered; and
- d. a statement that “This agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia’s consumer protection laws”.

CIC guarantees to complete the training and/or assessment once the student has commenced study in their chosen qualification or course.

Fees may include Tuition fee, which is fees directly related to provision of a course; non-refundable Registration fee & Administration fee, Material fee for books/materials, Health Cover (for international students), and any other charges such as re-issuance of qualification certificates / statements of attainment.

Tuition fees are fees directly related to provision of a course. Tuition fees do not include the Overseas Student Health Cover (OSHC), Registration Fee & Administration Fee, books and/or other materials required to undertake the program or compulsory activities where relevant (such as fieldwork or excursions). All relevant fees are clearly mentioned in the Application Form – International Student and Letter of Offer and written Agreement – International Student.

Prior to a student enrolling, fees may be altered without notice. Once a student has completed enrolment, fees will not be subject to change for the normal duration of the course. If a course length is extended by the student, then any fee increases will be required to be paid for the extended component of the course.

Where a student chooses to pay more than 50% fee or \$1500 upfront as Initial Deposit, the remaining amount will be collected according to an agreed payment schedule detailed in the Written Agreement.

Collection of Fees after enrolment:

Student must pay their fees as per the written agreement signed by them at the time of their enrolment.

Fees Collection Process:

At CIC, all students are required to understand and sign the fees agreement which states the next instalments amount with the due dates. All due dates on the tuition fees are kept at standard 15th of every month.

• *Reminder Letter and SMS*

In case the student instalment falls on a particular month, a friendly SMS reminder along with the Notification Letter (Reminder to Pay) is sent to all students in the first week of that month to give the students ample time to arrange their funds.

• *Intention to cancel Enrolment*

In case the student's fees remain unpaid, "Intention to cancel Enrolment" letter is sent to the student on the 18th of the month. The student gets 20 working days to appeal against the decision from the date of letter and pay the full dues along with the \$75 late fine.

If the student chooses not to appeal against the decision than the student enrolment will be cancelled after the end of appeal period.
